

## PROJECT OVERVIEW

To accomplish the project goals, we define the following roadmap of activities.

- 1. Define key stakeholders to influence with communication
- 2. Define concerns and obstacles + project outcomes
- 3. Define Define 3 Personas,
- 4. Prepare screeners and scripts for interviews
- 5. Run Interviews
- 6. Extract insights
- 7. Share insights with stakeholders
- 8. Strategy for social and professional acceptance

Most of the activities will be done with co-creation sessions, except "Run interviews" and "Extract Insights". These activities will be executed by Punk Design.
